The comdirect group is market leader in securities business for modern investors. More than two million customers use the products and services in brokerage and banking. Two brands represent the comdirect group: in the B2C business line, comdirect bank AG is the first choice for self-determined private customers. With 180 million page impressions and more than 20 million visits a month, [www.comdirect.de](http://www.comdirect.de) is one of Germany's most frequently visited financial websites. The B2B business line is represented by the wholly-owned comdirect bank subsidiary ebase GmbH. The company is a leading full-service partner for independent financial service providers, asset managers, insurance companies and institutional customers. For more than 55,000 intermediaries [www.ebase.com](http://www.ebase.com) is the B2B specialist for custody account services with cash and transaction management.
